NEWDOCK PROJECT

The joint venture between Goldman Sachs and Kervis SGR brings the Newdock project, introducing new logistics developments onto the Italian market with superior, **cutting edge** and high quality building standards, ensuring outstanding **performance and social and environmental sustainability**.

● **Stage 2**
60.417 sqm total area

● **Stage 1**
79.496 sqm total area

CUSTOMISED LOGISTICS

Newdock Le Betulle Logistics Hub is just 30 kilometres from the centre of Bologna and comprises three buildings covering a total area of **136,231 sqm**.

The complex is the ideal solution for anyone seeking **complete flexibility**, and offers logistics spaces that can be **divided according to the tenant's specific needs**, with **customisable floor spaces**. **Newdock Le Betulle Logistics Hub** has been designed in line with high **sustainability standards** and can house up to nine tenants.

The project will be realised in two stages, with the first expected to be completed by Q2 2025

- Stage 1 – 79.496 sqm
- Stage 2 – 60.417 sqm

LOCATION

In a prominent location between Northern and Central Italy.

The logistics hub is in **Castel Guelfo di Bologna**, a town in the Emilia-Romagna region located between Bologna and Imola. **At a strategic point between Northern and Central Italy**, the area is one of the country's major **manufacturing centres**. The location of the logistics hub makes it especially attractive owing to its motorway links, airports and proximity to **Bologna, Imola and Ravenna**.

THE HUB

1. SPACE & FLEXIBILITY

Newdock Le Betulle Logistics Hub has a total floor area of **139.913 sqm** and comprises two cross-dock warehouses and one single-fronted premises, ideal for those in need of **very large storage spaces and a flexible layout**.

2. PERFORMANCE & SAFETY

The complex offers **outstanding logistics performance** in terms of warehouse and internal operations capacity, thanks to its **large manoeuvring spaces** for trucks and its dedicated goods storage areas. In addition, safety is guaranteed by **security personnel** at the entrance who monitor all access to the site.

3. EFFICIENCY & SUSTAINABILITY

The hub is an innovative logistics center designed with an **ESG approach**, ensuring efficiency, durability, and compliance with the **highest international sustainability and social responsibility standards**. Every building is designed to promote people's well-being, deliver high **energy efficiency**, and optimize resource management, reducing environmental impact and respecting the local community.

Stage 2 BUILDING A

- 60.417 sqm total area
- 76 loading bays
- 162 parking spaces
- 42 truck spaces

BUILDING B

- 60.417 sqm total area
- 76 loading bays
- 180 parking spaces
- 43 truck spaces

BUILDING C

- 19.046 mq sqm total area
- 22 loading bays
- 149 parking spaces
- 16 truck spaces

SUSTAINABILITY & INNOVATION

AN ESG-DRIVEN APPROACH

The Castel Guelfo hub is a tangible example of a sustainable vision where **innovation and social responsibility** come together to shape a new model of logistics space. Every building is designed to combine **efficiency, durability, and environmental respect**, with **optimized resource management** and a footprint that enhances the local area.

ESG principles guide every decision, from design to construction, **ensuring community respect, climate impact mitigation, and the promotion of human well-being**. The result is a virtuous ecosystem where people and the environment thrive together, and where the future takes shape today.

LEED PLATINUM

ENVIRONMENTAL EXCELLENCE

The project aims to achieve the prestigious LEED Platinum certification, an international symbol of sustainability excellence. Every detail is carefully designed to maximize energy efficiency and minimize environmental impact.

CONCRETE ACTIONS

Renewable energy production:
photovoltaic system of approx. 10
MW when fully operational.

Sustainable mobility:
integrated cycle paths, dedicated
bike areas, and EV charging
stations.

Optimized resource use:
rainwater reuse and smart
consumption monitoring system.

Air quality:
indoor ventilation compliant with
ASHRAE standards.

Reuse and recycling:
traceable, low-impact materials.

Indoor environmental quality:
the internal layout maximizes
acoustic and thermal comfort,
with lighting systems that
minimize light pollution, enhance
visual comfort, and maximize
natural light.

WELL

PEOPLE'S WELL-BEING AT THE CORE

Office spaces are designed with a focus on health and well-being, aiming to meet the requirements for WELL certification. This holistic approach prioritizes air quality, natural light, and acoustic comfort, creating workspaces that are pleasant and stimulating.

WELL-certified spaces not only support physical and psychological well-being but also drive greater productivity and employee loyalty. A healthy, welcoming environment improves a company's reputation and strengthens its ability to attract new talent and clients, increasingly attentive to sustainability and social responsibility values. A strategic choice that combines well-being and competitiveness.

TECHNICAL SPECIFICATIONS

- Grade A, highly flexible development, comprising 2 double-front warehouses and 1 single-front warehouse.
- Total GFA: 136,231 sqm, including 127,778 sqm warehouse space (plus a 2,621 sqm mezzanine) and 5,100 sqm office space.
- Minimum module size approx. 15,000 sqm.
- Clear height under beam: 11.1 m.
- Structural grid: 17x20 m.
- Dock door ratio: 1/820 sqm.
- Floor load capacity: 5 tons/sqm.
- LED lighting system.
- Battery charging rooms in each compartment.
- Fire resistance: REI 120.
- NFPA 13 / ESFR sprinkler system.
- Solar panels and EV charging stations.
- LEED Platinum and WELL certifications.
- Minimum yard depth: 35 m.
- Maximum permitted height for automated warehouses: 30 m.

DISCLAIMER: This Confidential Teaser (the "Teaser"), which is issued by KERVIS SGR S.p.A. ("KSGR") is for the exclusive use of the persons to whom it is addressed and their advisers in connection with the potential lease of the asset (the "Transaction"). It is being made available for information purposes only to those who have expressed a preliminary interest in pursuing the Transaction solely with a view to assisting the recipient in determining the level of any preliminary non binding offer and in deciding whether they wish to proceed thereafter. By accepting a copy of this Teaser, the recipient agrees not to approach the KSGR, and/or any beneficiary/company, or any of their respective officers, employees, agents, advisers, suppliers or customers without the prior consent of KSGR. This Teaser does not constitute an offer or invitation or a solicitation of any offer or for the sale or purchase of securities or of any of the assets, business or undertaking described herein. In addition, it is not intended to form the basis of or act as an inducement to enter into any contract or investment activity, and should not be considered as a recommendation by KSGR. No representation or warranty, express or implied, is or will be given by KSGR or their respective directors, officers, employees or advisers or any other person as to the accuracy or completeness of this Teaser and, so far as permitted by law, no responsibility or liability is accepted for the accuracy or sufficiency thereof, or for any errors, omissions or misstatements, negligent or otherwise, relating thereto. In particular, but without limitation, (subject as aforesaid) no representation or warranty, express or implied, is given as to the achievement or reasonableness of, and no reliance should be placed on, any projections, targets, estimates or forecasts and nothing in this Teaser is or should be relied on as a promise or representation as to the future. Accordingly, (subject as aforesaid) neither KSGR nor any of their respective directors, officers, employees or advisers, nor any other person, shall be liable for any direct, indirect or consequential loss or damage suffered by any person as a result of relying on any statement in or omission from this Teaser or any other written or oral communication with the recipient or its advisers in connection with its evaluation of the Asset and (save in the case of fraudulent misrepresentation or willful non disclosure) any such liability is expressly disclaimed. In furnishing this Teaser, KSGR does not undertake any obligation to provide any additional information or to update this Teaser or to correct any inaccuracies that may become apparent. In no circumstances will KSGR be responsible for any costs or expenses incurred by any recipient in connection with any investigation or evaluation of the Transaction or for any other costs or expenses incurred by any person in connection with the proposed acquisition. Law or other regulation may restrict the distribution of this Teaser in certain jurisdictions. Accordingly, recipients of this Teaser should inform themselves about and observe all applicable legal and regulatory requirements. By accepting this Teaser, the recipient agrees to be bound by all the foregoing limitations.
